Nata FUCKING sha,

You have passed your deadline for removing the damaging wbsite about me and get ready to get FUCKED real good now - you have denied my request and will be paying for it.

You trashy, good for nothing, useless piece of shit, you can fuck off and die as far as I am concerned. Check yourself in to a hysterical rehabilitation and get your noodles in share (in case there is a chance that you have some left in your fuckup skull) or can just go fuck yourself, you bitch, you Russian whore, waco sicko peice of tarshy shit.

You will be confrinting police from now on and if you think the divorce court was a turture chamber, wait to see what I can do to you.

You will be summoned for court restraining order soon and later for damages you have cause me. You will be sued for every penny you got, you sack of pig shit.

YOU ARE ONE FUCKED UP TWISTED MINDED BITCH - FUCK YOU.

FUCK YOU LATER BITCH.
